

Meeting your equality duties

This session aims to assist you in understanding and meeting your responsibilities in respect of Public Sector Equality Duty.

Objectives

By the end of this session you will:

- know what characteristics are protected by law and be able to give at least two examples of each of these;
- be able to make an initial assessment of your work on matters of equality;
- have an understanding of how to mitigate negative impacts through review and engagement activities;
- know what support is available for you from within the CCG;
- be able to list at least two sources of demographic data.

Course outline

The following sections will be covered during the session:

- What are the protected characteristics and what do they actually mean?
- What is the Public Sector Equality Duty?
- Where do I find data to inform my decisions?
- The equality assessment cycle

Details

Each session lasts approximately 90 minutes and are taking place in Wynford House
