| Version Number / Status: | 1.0 |
| Executive Lead | Alison Henly, Director of Finance, Performance and Contracting |
| Clinical Lead: | Dr Emma Keane, Associate Clinical Director of Primary Care |
| Author: | Jessica Harris, Primary Care Development Manager |

Summary and Purpose of Paper

Primary Care Networks (PCNs) are now a central part of the primary care commissioning landscape. Our PCNs are developing rapidly and are involved in multiple priority workstreams including care homes and cancer. The Somerset Primary Care Commissioning Committee will receive a verbal update with the latest position and examples of how PCNs are delivering our shared priorities.

Recommendations and next steps

The Somerset Primary Care Commissioning Committee is asked to note the approach described.

Impact Assessments – key issues identified

| | | | | |
|-----------------------------|---|------------|------------|----------|
| Equality | No adverse impact on equality. | | | |
| Quality | No adverse impact on quality. | | | |
| Privacy | No information sharing requirements beyond existing norms. | | | |
